Registrations across the board are low. Currently Jandakot has the 2nd highest regos in the association. WACA have sent out a Covid rule structure that they would like all clubs to follow. Belt up helmets are available for pickup. Playcricket.com has launched and there are various hub events that will run up until season commencement. Autism WA have jumped onboard with the WACA. I'm arranging with schools in the area to attend their schools to promote cricket. The WACA will be running pop up programs in the school holidays. We would like as many coaches to register for our club chat online events.
